20-Year Limited Warranty

LIMITED WARRANTY:

This Warranty is extended by **RESINATING LLC** ("Seller") to the original End User ("End User") where **RESINATING** Expansion Liners and related products were installed by **RESINATING** or an Authorized Resinating Installer ("ARI"), the details of which are documented below

Seller warrants to End User that its products will conform substantially to any applicable drawings or design standards and will remain free from defects in material and workmanship under normal usage for 20 years from the installation date ("Warranty Period") when shipped by **RESINATING** or an Authorized Resinating Manufacturer ("ARM"). For this Warranty to be valid, the **RESINATING** products must be installed by **RESINATING** or an ARI under a contract issued by the End User.

In the event the **RESINATING** product, upon examination by Seller, is determined to be defective in material or workmanship during the warranty period, thereby allowing storm water to infiltrate a sewer pipe or manhole, Seller will repair or replace the defective product that was installed by **RESINATING** or by an ARI.

The End User is reminded that **RESINATING** Solutions are the subject of a pending patent. To the degree it is determined by the Seller that an End User or a general contractor with whom the End User works utilizes some non-Resinating components that are similar to Resinating products but not manufactured by **RESINATING** or an ARM, the End User and the general contractor will face legal jeopardy to the fullest extent permitted under the law and this Warranty will be void.

LIMITATION OF LIABILITY:

Seller's liability is limited as follows:

- a) This Warranty will be void if the defects in the **RESINATING** products result from any movement of the earth, be that from an earthquake, a landslide, a sinkhole, an explosion, an act of war or terrorism, vandalism or any other external force including but not limited to a substantial increase in the load caused by new construction such as major buildings, bridges or railways above the **RESINATING** products.
- b) Seller makes no warranties, express or implied, except as specifically stated above. SUCH WARRANTIES, IF ANY, ARE IN LIEU OF ALL OTHER WARRANTIES, WRITTEN OR ORAL, STATUTORY, EXPRESS OR IMPLIED. SELLER SHALL IN NO EVENT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES OF ANY NATURE, EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- c) Seller's liability, is limited to replacement or repair of problems associated with **RESINATING** products including potentially the installation of a new **RESINATING** Expansion Liner inside a failing **RESINATING** Expansion Liner.
- d) Seller shall not be liable for any damages suffered by the End User due to a delay in the delivery of products.
- e) End User shall notify the Seller promptly in writing upon discovery of a suspected defect in a **RESINATING** product, sent by certified mail, to the CEO of **RESINATING LLC**, 2417 Weaver St., Fort Worth, Texas 76117, giving full particulars in support of the warranty claim and provide the Seller with unrestricted access to the allegedly defective product.
